

THE TWO PIZZA TEAM RULE

THE TWO PIZZA TEAM RULE IS
A RULE FOUNDED BY AMAZON

THIS RULE IS: TEAM SIZES ARE
MOST OPTIMAL WHEN THEY CAN
BE FED BY TWO PIZZAS

THE REASON FOR THIS BEING:
SMALL TEAMS ARE MORE
EFFECTIVE

TWO PIZZAS CAN FEED A TEAM OF
5 - 10 PEOPLE (THE DEVOPS
HANDBOOK, 2016).

THERE ARE SOME EFFECTS THAT
GO ALONG WITH THE TWO PIZZA
RULE:

FIRST: ITS EASIER TO
COMMUNICATE IN SMALLER
TEAMS (THE DEVOPS HANDBOOK,
2016).

SECOND: IT ALLOWS FOR THE
TEAM TO UNDERSTAND THE
PRODUCT BETTER (THE DEVOPS
~~HANDBOOK, 2016).~~

THIRD IT ENABLES THE TEAM TO
WORK BETTER (THE DEVOPS
HANDBOOK, 2016).
